

# IT'S IN QUEENS

## **Queens Taste 2020**

**Tuesday, May 5, 6 pm to 9 pm**

**New York Hall of Science, Flushing Meadows Corona Park**

It's the best food-and-networking event of year. More than 700 people will enjoy treats and beverages from local restaurants and artisan food makers during the 18th Annual Queens Taste. They will also meet and greet many of the borough's business and civic leaders.

All proceeds support the Queens Economic Development Corporation, whose mission is to create, attract, and retain jobs through programming that grows neighborhoods, assists small businesses, and promotes tourism and business development. Programs include the Entrepreneur Space commercial kitchen incubator and MiQ – Made in Queens. QEDC also runs the Queens Tourism Council, which co-organizes this annual event.
